**Graduate Beginners Greek:**
These classes prepare students for the examination options, but can of course also be followed without aiming for an exam.

All language classes will need some independent work outside class hours - we recommend that you allow for (at least) one hour of independent work for each class hour, as well as for regular work during the vacations.

Please contact the instructor to sign up for the classes, and to get more information on how the class will be taught in MT.

The classes will run for 3h/ week in MT, HT and TT. The course book used is John Taylor, *Greek to GCSE*, 2 volumes (latest edition 2016) - you will need a copy (printed or electronic) for the class sessions. If you have time to look at the alphabet before the first session, that will be helpful. There will be collections (formative tests on the work done during the previous term and the vacation) at the beginning of HT and of TT.

Class times in MT 2020: Mo Tue Fri 15-16 with Juliane Kerkhecker (the classes will be taught online via Teams)
