**Professor Matthew Leigh, Latin Core Lectures, Wednesday 9 a.m., Weeks 1-4**

Week 1: Passing through Oricum - Trade Routes and Culture Routes 1.

Week 2: Arcadians by the Mincius - Trade Routes and Culture Routes 2.

Week 3: Slavery and Slave-Blindness - How Latin Authors simultaneously present and occlude the lives of Roman slaves.

Week 4: 'The Stage is Set in Mantua' - How the Theatre informs Latin Literature of this period.

These lectures are new and will, I hope, be challenging for those students who attend.

Please note that THE LECTURES WILL NOT BE RECORDED and WILL NOT BE REPEATED IN THE ACADEMIC YEAR 2023-24. If you want to hear them, you will have to get out of bed. I aim to make it worth your while.
