

BRITISH ACADEMY POSTDOCTORAL FELLOWSHIP SCHEME
2025-26 applications through the Faculty of Classics, University of Oxford

Please send your completed form to recruitment@classics.ox.ac.uk by midday on **4th August 2025**

Your proposed mentor must be a Faculty postholder (see list of potential candidates on the [Faculty website](#)), and you must ask them to confirm their support for your application by writing to the above email address by the same date.

Application Details

Name		
Email address		
PhD/DPhil Details (title and institution)		
Date awarded (or anticipated date of submission)		
Research proposal title		
Research area		
Mentor name		
	Please confirm that the mentor has agreed to act	Yes/No
Confirmation of eligibility	I have not previously held a permanent academic appointment	Yes/No
	I am either: a British citizen; have a doctorate from a UK University; am an EEA national [regardless of whether or not you have a UK doctorate]; or have a prior association to the UK academic community (through, for example, a temporary academic post of at least 6 months)	Yes/No
	<i>If your answer to any of the above questions is no, please outline any extenuating circumstances (e.g., career breaks) that might make you eligible for the scheme.</i>	
Resubmission	Please confirm whether you applied to last year's scheme	Yes/No
	If yes, were you invited to resubmit an application by the British Academy? ¹	Yes/No

¹ The British Academy does generally not allow for resubmissions to the Postdoctoral Fellowship. If you have previously applied and failed to reach the Second Stage of the competition, you are not eligible to re-apply. Previously unsuccessful applicants will only be able to submit another application if specifically invited to do so by the British Academy.

Career Summary

Statement of qualifications and career	Please give details of all qualifications in reverse chronological order.
Present appointment	Please state your present appointment, if any, and the institution at which you are currently based. If doctoral student please say so. If no current academic employment, please indicate whether employed in a non-academic post.
Publications	Please list any publications to date in reverse chronological order.
Unpublished research	Please list any unpublished works here.
Name and email address of doctoral supervisor	Please state the names of your doctoral supervisor(s). If you ask another scholar to send a note of support [see above], please also add name and email address here.
Name of examiners	Please state the names of both internal and external examiners, where known.
Other academic experience	Please provide details of all academic posts held, including your present position (with dates), and any teaching experience gained during the course of your doctorate. Please include any experience in organizing conferences, workshops etc.; if none, please state none. (max 4000 characters including spaces)
Circumstances that may have impacted research track record	Please provide details of any circumstance you feel may have impacted on your research track record e.g. illness, parental leave etc. Any information provided will be dealt with confidentially.

Proposal

Title of project	Please state the title of your project.
Abstract	Please provide a short abstract summarising your proposed research in terms suitable for an informed general audience, not one specialised in your field. (max. 1100 characters including spaces)
Previous research	Please give a description of research already undertaken; this will normally be the doctoral thesis. (max. 3000 characters including spaces)
Proposed programme	Please give a detailed description of the projected research programme, including methodology and intended outcomes. (max. 8000 characters including spaces)
Planned research outputs	Please indicate here what the expected output(s) from your research programme might be: monograph, journal article(s), book chapter(s), digital resources, other (please specify). Give brief details here and elaborate in the Plans for publication/dissemination section.
Plan of action	Please indicate here a clear timetable for your research programme over the three years of the Fellowship. Try to be as realistic as possible, but keep in mind that research programmes will develop over time, that you are not expected to account here for every minute of the three years, and that the plan is not unchangeable. (max. 3000 characters including spaces)
Plans for publication / dissemination	Please state in more detail here what plans you have for publication of your research, including potential publishers, journals, etc. Please also include information about planned wider dissemination. Plans for dissemination may include, but are not limited to, conference or seminar presentations, public lectures, podcasts etc. that are appropriate for your research topic. (max. 3000 characters including spaces)
